UNITY DAYS XVII

The Wyo-Braska Area "Unity Days" is entering its 17th year of fun and fellowship. This festive campout is a great opportunity for addicts in recovery to join together and enjoy the great outdoors.

Why Pre-Register

Funds collected from pre-registration allow the host committee to secure many Unity Days related services including meals, merchandise, coffee, and carrying the NA message of recovery.

Please remember that during the campout we will be an example of how recovery in NA is viewed by the community and state park. We must try to use the spiritual principles learned in the program in all our affairs.

We made the decision; it was not made for us by the drugs, our families, a probation officer, judge, therapist or doctor. We made it! For the first time since that first high, we have made a decision for ourselves.
